## Statement by the Assyrian Universal Alliance on 6772 Assyrian New Year

On behalf of the Assyrian Universal Alliance we extend our best wishes to all Assyrians around the world, specially to those Assyrians who are forcibly displaced due to the war in Ukraine, to those Assyrian refugees from Iraq and Syria who are running for their lives because of the regional conflicts, to those Assyrians in our homeland who are experiencing economic injustice and discrimination, and to those Assyrians in the diaspora who are the backbone of the Assyrian Nation, Happy Assyrian New Year 6772.

We wish that the year 6772 will be a year of success for our beloved Assyrian Nation. The Assyrian New Year is one of the oldest celebrations in human history. A New Year is a new beginning for nature and our sole. We will put all the challenges of the previous year behind us and will continue to build a stronger future for Assyrians around the world and our beloved Assyria.

A New Year requires us to review our achievements and failures. It requires us to learn from our mistakes, and it requires us to be humble in order to serve our beloved Assyrian Nation.

Happy Assyrian New Year  
Assyrian Universal Alliance
